United States Republic Postmaster Article No: 7016 2070 0000 0219 3338

RE: "Writ in the Nature of Discovery" dated May 26, 2017.

You were advised that certain documentation was requested to make a physical inspection and enable the Borrower to verify and Witness the same in order to prepare a defense. You were advised to provide the requested information in order that I may study all evidence regarding this matter within ten (10) days of the receipt of this Notice of Discovery.

Per the United States Republic Postmaster the request was received by Police & Fire Retirement System CITY OF DETROIT MICHIGAN USA Corporate Headquarters on May 26, 2017. Deadline for receipt of documentation was June 15, 2017.

As this request has not been Honored – this notice of default judgment is being submitted and all claims, petitions, suits, fillings with any third party corporations regarding my credit history be dismissed and expunged.

All officers of the Court are required to take an oath of office to uphold the Constitution of the United States.

*"The Constitution for the United States of America binds all judicial officers at Article 6, wherein it does say, "This Constitution and the Laws of the United States which shall be made in pursuance thereof, and all Treaties made, or which shall be made under the authority of the United States, shall be the Supreme Law of the Land, and the Judges of every State shall be bound thereby, anything in the Constitution or laws of any state to the Contrary, notwithstanding," see Clause 2."*

Denial of Discovery is in direct violation of my Constitutionally Secured Rights to **"Due Process of Law"** which is a direct violation of your oath of office.

*The 5<sup>th</sup> Amendments require that all persons within the United States must be given due process of the law and equal protection of the law.*

*"Due process of law implies the right of the person affected thereby to be present before the tribunal which pronounces judgment upon the question of life liberty, or property, in its most comprehensive sense; to be heard, by testimony or otherwise, and to have the right of controverting, by proof, every material fact which bears on the question of right in the matter involved."*

*"If any question of fact or liability be conclusively presumed against him, this is not due process of law, Zeigler v. Railroad Co., 58 Ala. 599."*

*"In Interest of M.V., 288 Ill.App.3d 300, 681 N.E.2d 532 (1st Dist. 1997). Without subject-matter jurisdiction, all of the orders and judgments issued by a judge are void under law, and are of no legal force or effect. In Interest of M.V., 288 Ill.App.3d 300, 681 N.E.2d 532 (1st Dist. 1997) ("Every act of the court beyond that power is void").*

Centralized Small Claims is not an Article III court; and has no delegated jurisdiction / authority under the Supreme Law of the Land, and unconfirmed by the Congress of the United States.

*"The parties to the Compact of the United States Constitution further agreed that the enumeration in the Constitution of certain Rights shall not be construed to deny or disparage others retained by the People (Article 9 of the Bill of Rights to the Constitution for the United States)."*

*"When acting to enforce a statute and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and not in a judicial capacity; courts in administering or enforcing statutes do not act judicially, but merely ministerially. Thompson v. Smith, 154 SE 583."*

*"... Courts in administrative issues are prohibited from even listening to or hearing arguments, presentations, or rational. ASIS v. US, 568 F2d 284."*

*"Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities. Burns v. Sup., Ct., SF, 140 Cal. 1."*

I, **thomas james brown bey**, do not, under any condition or circumstance, by threat, duress, or coercion, waive any rights Inalienable or Secured by the Constitution or Treaty, and, hereby

requests this Court fulfill their obligation to preserve the rights of this Petitioner (A Moorish Americans) and carry out their Judicial Duty in 'Good Faith'.

All UNCONSTITUTIONAL Citations – Summons / Ticket – Suit / (misrepresented) Bill of Exchange: Docket Number # 7016 3710 0000 5925 5851, and any other 'Order' or 'Action' associated with it / them, to be dismissed and expunged for the record on it's face and merits.

Thank You,
